Our Consignment Policy

Windsor Cottage is in business selling high quality consignment furniture and home accessories. All items are displayed in a charming home atmosphere. We offer character, style and quality at an affordable price.

All furniture is pre-approved before being accepted. If you are interested in selling your furniture, please call the store to discuss your pieces with us, or e-mail us photos with all of the pertinent information. We are always interested in knowing whatever history you have on the piece – manufacturer, age, condition, dimensions.

Consignors are welcomed to bring in small items during regular store hours for pre-approval. For larger items, we will need to see a photograph. We can then determine if we can assist you in selling your item(s) and estimate a price at which we can sell them. If you have many pieces or a household, or would have a difficult time taking the photos, phone us to discuss a house call.

All furniture must be in excellent condition. It is always advisable to present your pieces to us in their best light – make sure the pieces are cleaned and polished, free of dust or dirt or items in the drawers and cupboards. If we find that we need to clean up a piece that comes into the store, we do charge a fee depending on the level of service required. We would always prefer that the consignor handle this aspect at home before we receive the piece.

Delivery to the shop is the consignor's responsibility. Ask us if you need the name of a mover and we can recommend one for you.

Consignment items are contracted for a period of 90 days. Windsor Cottage receives a consignment fee of 50% of the selling price. We have a right to reduce items 10% at the end of each 30 days.

E-Mail us at windsorcottage@frontiernet.net with any questions.
